

Dates for your diary

Essential events for charity communicators

Introducing an exciting programme of seminars and one-day conferences on the hottest topics in charity communications, media and marketing.

Presented by **CharityComms**, the professional body for charity communicators.

Seminars

Each of our monthly seminars features three experts from the world of charity communications. Enjoy presentations packed with insights, information, ideas and top tips for you to try out.

Topics for 2009-2010 include: how to find your voice on Twitter, rebranding on a budget, and changing supporter behaviour.

Speakers include **Barnardo's**, **Parkinson's Disease Society**, **Breast Cancer Care** and many more...

£35 + vat or FREE to CharityComms members

Conferences

Introducing **SIX** national one-day conferences for charity communications professionals.

Each event includes stimulating panel discussions, inspiring presentations from senior charity sector figures, practical workshops and opportunities to network.

From £150 + vat
FREE places for CharityComms organisational members (terms apply)
